2024 has been a crazy year, between an activist Supreme Court, prolific NLRB and the State of Illinois, it is virtually impossible to keep up. But don't worry, Amundsen Davis and EBANI have you covered!

In this presentation we will have an interactive discussion regarding the year's most impactful cases and legislation and preview what 2025 will bring.

Some of the areas that will be discussed are:

- Supreme Court wrap up
- DOL salary threshold changes
- NLRB decisions and their impact on union and non union shops
- Trends around pay transparency and leave laws
- And so much MORE

Julie is a partner with Amundsen Davis and provides labor and employment counsel that is outcome based. Julie has her JD from Northern Illinois University and her Master's and Bachelor's from Eastern Illinois University.
